

GMIA Snow Equipment Storage Building, GMIA Fleet Maintenance Building Expansion, & GMIA Runway Abrasive Storage Facility Design.

Milwaukee County Department of Transportation and Public Works is requesting proposals from professional engineering consultants for the design of a new Snow Equipment Storage Building, expansion of the existing GMIA Fleet Maintenance Facility, & the design of a Runway Abrasive Storage facility at General Mitchell International Airport located in Milwaukee Wisconsin.

A pre-proposal conference will be held on Thursday May 13th 2010 at 9:00 am in the Hardie Conference Room, in the GMIA Upper Level, Concourse C, Department of Transportation and Public Works Administration, 5300 South Howell Avenue, Milwaukee Wisconsin.

The project is intended to provide storage for twelve recently acquired combination snow plow/broom vehicles, expand the existing GMIA Fleet Maintenance Facility to accommodate the new vehicles, & provide a Runway Abrasive Storage Facility. Proposals are due no later than 4:00 P.M. on Thursday May 27, 2010, to Paul J. Montalto, Airport Engineering Office, General Mitchell International Airport, 5300 S. Howell Ave. Milwaukee, Wisconsin, 53207
